Add/Modify Currency

On this screen you set up a currency: its type, its value and the order in which it appears when breaking down the cash movements.

How to get here: Add or **Modify** button on the Currency screen.

Currency data

- **Type**: the type of currency. Choose it from the drop-down list.
- **Value**: the value of the chosen type of currency. Choose it from the drop-down list.

- **Order**: the order in which you want the currencies to appear on the Break Down Cash Movements screen.
- **Active**: ticked by default. Untick it when you stop working with a currency.

Image

You can add an image of the currency with the **Add** button, or remove an existing image with the **Delete** button.

Buttons

- **Save**: click it when you have finished setting up the currency.
- **Cancel**: closes the screen without making any changes.
