Add/Modify Employee Incidents

On this screen you create an employee incident or change its data: the name and the score.

How to get here: the **Add** or **Modify** button on the Employee Incidents screen.

Incident data

- **Incident**: the **name of the incident**.
- **Score**: the **score**, which is the penalty value you consider appropriate for each incident.

Buttons

- **Save**: saves the incident you have added or modified.
- **Cancel**: closes the screen without making any changes.
