Add/Modify Preparation Comments

On this screen you create a preparation comment or change its data. Preparation comments are printed on the kitchen chit.

How to get here: Add or **Modify** button on the Preparation Comments screen.

Comment data

- **Family Group**: choose the corresponding family group from the drop-down list. The comments are classified by family group, and you can add as many preparation comments as you want to each family group.

- **Preparation comment**: the name of the preparation comment. As it is printed on the kitchen chit, it must be clear, to make the kitchen staff's work easier.

> **Examples.** `Medium` for meat or `Instant` for coffee.

Buttons

- **Save**: saves the preparation comment when you have finished configuring it.
- **Cancel**: closes the screen without saving the changes.
