Add/Modify Professional Standings

On this screen you create an employee professional standing or change its data: the description and the access level to the application.

How to get here: the **Add** or **Modify** button on the Professional Standings screen.

Professional standing data

- **Description**: the description of the employee's professional standing, for example `Driver`.
- **Access level to the application**: the access level of each employee professional standing, from Minimum Level to Maximum Level.

Buttons

- **Save**: saves the employee professional standing you have added or modified.
- **Cancel**: closes the screen without making any changes.
