Customer Points

On this screen you modify the number of points of one customer or of all the customers at once.

How to get here: Customer points button on the Customers screen.

Modify the points

The change is applied to a single customer or to all of them at once, depending on the option you chose beforehand.

1. Enter the number of points.
2. Click **Ok**.

Buttons

- **Ok**: saves the number of points.
- **Cancel**: closes the screen without making any changes.
