Employee Incident Record

Here you see all the incidents the employee has in their history.

How to get here: Incident record button on the Branch Employees screen.

Details of each incident

Each line is an incident. In it you see:

- The **date**.
- The **incident type**.
- The **score**.
- A possible **comment**.

Buttons

They are on the right-hand side of the screen:

- **Add**: adds an incident to the branch employee from the Add Incident to an Employee screen.
- **Delete**: deletes the employee's incident you have previously selected.
