Report of Last Sale of Promotions

This report shows the date on which each promotion was last sold. It helps you spot the promotions that have not been used for a long time.

How to get here: menu **Items → Reports → Last Sale of Promotions**.

> Access to this report depends on the employee's access level.

Running the report

There is no filters screen. When you click the menu option, PizzaGest shows the report directly.

The report

The promotions that are still in force, that is, those with an end date equal to or later than today, and that have been sold at some point are included. The most recently sold ones appear first.

Column	What it shows
CODE	The code of the promotion.
DESCRIPTION	The name of the promotion.
LAST SALE DATE	The day of the last sale.

> A promotion in force that has never been sold does not appear in the report.
