Report of Last Sale of Sales Items

This report shows the date on which each sales item was last sold. It helps you spot the items that have not been sold for a long time.

How to get here: menu **Items → Reports → Sales Items → Last Sale**.

> Access to this report depends on the employee's access level.

Running the report

There is no filters screen. When you click the menu option, PizzaGest shows the report directly.

The report

The active sales items that have been sold at some point are included. The most recently sold ones appear first.

Column	What it shows
CODE	The code of the item.
DESCRIPTION	The name of the item.
LAST SALE DATE	The day of the last sale.

> An active item that has never been sold does not appear in the report.
